

Amansala Transportation Info

We always do our best to match people up to share the ride when possible, however keep in mind flights may be delayed or changed so it is not always possible to know ahead of time.

The pricing guideline is as follows:

Private SUV \$135

Shared with one person \$70 pp

Shared with 2 people \$60 pp

Shared with 3 \$60 pp

Shared with 4 \$50 pp

Shared with 5 \$45 pp

Shared with 6 or more \$40 pp

We use safe secured insured cars with an external car service that has worked with us for 10 year.

Where to find the driver? You will exit the airport and look for the driver holding an Amansala sign. If you do not see him, head to the right, where you will see a little restaurant stand called Margaritaville and he will look for you there

We recommend prepaying one way transportation and should you wind up sharing you will have a credit on your account for the return.
