

FIRST AID AND EMERGENCY MEDICAL TREATMENT

I understand that SCOL is a remote rural facility located several miles from the nearest medical facility and emergency responders, that SCOL has no on-site medical facilities or equipment, and that the agents, employees, Board members and/or volunteers associated with KCC/SCOL (hereinafter referred to collectively as KCC/SCOL) are neither professional medical providers nor emergency responders. Accordingly, I hereby acknowledge and affirm that my personal healthcare needs are my own responsibility and that I am solely responsible for monitoring my own health status. I further acknowledge that circumstances may arise that require medical treatment or emergency response due to accident or illness, and authorize KCC/SCOL to contact and request emergency response and treatment from professional first responders and medical personnel as is reasonably deemed necessary, including hospitalization. By signing below, I knowingly released KCC/SCOL from any and all liability arising from any negligent act or omission related to monitoring my health status or providing needed medical treatment or response. I further acknowledge that I may choose to voluntarily provide the optional health related information below and request that it be provided to emergency responders who are medical professionals in the event of an emergency.

CANCELLATION AND REFUND POLICY

Please read this carefully prior to registering

- 1) KCC will keep 10% if cancelling more than 14 days in advance to cover administrative costs;
- 2) KCC will keep 20% (to cover food costs) if cancelling less than 14 days in advance.
